Defense Acquisition University

No matter what part of the acquisition workforce you are in, we are here for you throughout your career—in the classroom, online, at work—helping you give our warfighters a decisive edge.

Earn College Credit for DAU Courses

Our courses can help with more than DAWA certification. Many of our academic partners accept them as credit towards your college degree.

GAIN ACQUISITION KNOWLEDGE & SKILLS

CLASSROOM COURSES
Your time away from the office is valuable, so we make it worth your while. Our classroom courses provide opportunities to gain knowledge and experience in a controlled environment; participate in practical exercises; and discuss policy and strategy with senior leaders.

ONLINE COURSES
DAU offers a variety of online courses to help workforce members achieve and maintain their DAU certification. You can meet the 80-hour continuous learning requirement through short modules or full-length courses—both are open for enrollment whenever you're ready.

RECEIVE ASSISTANCE TAILORED TO YOUR ORGANIZATION'S NEEDS

MISSION ASSISTANCE
The best solution often depends on your situation. Our faculty helps your organization overcome challenges and achieve success through mission assistance services, including: on-site consulting, collaborative problem solving, group facilitation and leadership development.

WORKSHOPS
Sometimes, together is better. We provide team training and tailored workshops that help organizations through issues such as program phasing, source selections, services acquisition and even improving team dynamics.
