Registering for a Course in ALMS

1. **Log** into ALMS ([https://www.lms.army.mil](https://www.lms.army.mil))
   - *If you have not logged in since 18-NOV you will need to view a 12-minute video, a requirement of ALMS*
2. **Select** Search from the left-hand navigation
3. **Enter** the course name/keyword in the Search field
4. **Identify** the course from the list that is returned
5. **Click** the Begin Registration link. You will be taken to a new screen
6. **Click** Complete Registration
7. **Select** the Launch Content link to run the course once registered
Navigating to Training Work Around

If you have received a “Processing . . . Please Wait” message you can still access training through these steps:

1. **Click** Lesson Level Learning from the navigation on the left.
2. **Navigate** to the Course or Certification that you want and **Click** View Modules. In the image above you will note it states “Hide Modules” because it has already been selected.
3. **Click** View Learning Elements once it populates on screen. Again, in the image above it has already been selected.
4. **Select** the topic you want, once it populates on screen and then **Click** View Learning Assignments.
5. **Click** Launch. A new window will open and begin the web-based training.
