SUBJECT: 2017 Product Support Manager Workshop

It is my pleasure to announce the 2017 Office of the Secretary of Defense Product Support Manager (PSM) Workshop. The Workshop theme is Product Support for the Capabilities of the Future and will feature government and industry presentations on Product Support as an Enabler of Capability Investment (Day 1), Product Support for New Capabilities (Day 2), and Product Support for Dual-Use, Rapidly Acquired Technology (Day 3). This Acquisition, Technology and Logistics (AT&L) approved Workshop will provide an opportunity to develop the workforce's Life Cycle Logistics competency, share best practices, and strengthen collaboration between industry and government leaders. I strongly encourage your support for this Workshop.

The 2017 PSM Workshop will be held at The Smart Center at Joint Base Andrews beginning Tuesday, June 6, 2017, with check in starting at 7:30 am, and concluding at 11:45 am on Thursday, June 8, 2017. Service break-out sessions will be held immediately following the Workshop at 11:45 on Thursday, June 8, 2017. Food options and light refreshments during the Workshop will be available for purchase with personal funds in advance on the registration website. For those outside the local area who cannot attend the Workshop, Video Teleconference Capability (VTC) will be available. Dial-in details and locations will be provided on the registration website.

Online registration for the 2017 PSM Workshop will be available through Friday, May 26, 2017 at http://www.acq.osd.mil/log/MR/PSM_workshop.html. The agenda, directions, and other administrative information will be located on the same website. Briefing charts will be posted no later than Friday, June 2, 2017. Workshop attire is business causal and uniform of the day.

Questions may be addressed to the PSM Workshop Coordinator, Ms. Rebecca McDaniel, OASD(L&MR)/Materiel Readiness, (703) 697-5981/DSN 227-5981; or via e-mail at rebecca.j.mcdaniel.civ@mail.mil.

Great opportunity!
