

MDAP/MAIS Program Manager Changes

With the assistance of the Office of the Secretary of Defense, *Defense Acquisition* magazine publishes the names of incoming and outgoing program managers for major defense acquisition programs (MDAPs) and major automated information system (MAIS) programs. This announcement lists two such changes of leadership for both civilian and military program managers for May and June 2020.

Navy/Marine Corps

CAPT Catherine W. Boehme relieved **RDML Kurt J. Rothenhaus** as program manager of Tactical Networks (PMW 160) on June 8.

CAPT David W. Gast relieved **CAPT Allan R. Walters** as program manager of Navy Command and Control (PMW 150) on June 15.
