

## Greg Prothero

Center Director, Requirements  
Defense Systems Management College

Greg Prothero leads the Requirements Center and is responsible for all Requirements Training led by DAU and coordinates with the Joint Staff, OSD and the Services on the Requirements FIT. The Requirements Center is responsible for 3 VILT courses and 6 OLT assets that support the workforce. Greg spent his last tour in HQAF/A5R supporting the service level and joint requirements process.

Greg was a C-130 Navigator at Pope AFB and Little Rock AFB, AETC flying instructor at Randolph AFB, a USAF Academy instructor and supported WHMO as an AF-1 advance agent. He also worked in USAF Legislative Liaison as a CODEL airlift planner.

Greg is level "C" Requirements certified and a PQM level 3 in the previous DAWIA construct. He has a Master of Science in National Resource Strategy from the National Defense University Eisenhower School and a Master of Science in Operations Management from the University of Arkansas.
