

MDAP/MAIS Program Manager Changes

With the assistance of the Office of the Secretary of Defense, *Defense AT&L* magazine publishes the names of incoming and outgoing program managers for major defense acquisition programs (MDAPs) and major automated information system (MAIS) programs. This announcement lists recent such changes of leadership for both civilian and military program managers.

Air Force

Shelly A. Larson relieved **Col William T. Patrick** as program manager for the B-2 Extremely High Frequency Satellite Communications Program on March 1, 2018.

Edward M. Stanhouse relieved **James D. Schairbaum** as program manager for the Combat Rescue Helicopter Program on March 1.

Navy/Marine Corps

Col Eric Ropella relieved **Col Robert Pridgen** as program manager for the Executive Transport Helicopter Replacement (PMA-274) on March 1.

Claire Evans relieved **Patrick Fitzgerald** as program manager for the Sea Warrior Program (PMW-240) on April 15.
