

MDAP/MAIS Program Manager Changes

With the assistance of the Office of the Secretary of Defense, *Defense Acquisition* magazine publishes the names of incoming and outgoing program managers for major defense acquisition programs (MDAPs) and major automated information system (MAIS) programs. This announcement lists recent such changes of leadership for both civilian and military program managers.

Navy/Marine Corps

CAPT Thomas H. Hoover relieved **CAPT Jason L. Rider** as program manager for Bureau of Naval Personnel Sea Duty Component Advanced Sensor Technologies Office on Jan. 6.
