SUBJECT: Announcement of Awardees—2019 Department of Defense (DOD) Diminishing Manufacturing and Material Shortages (DMSMS) Program Achievement Awards

Since 2007, the Defense Standardization Program Office (DSPO) and the DOD DMSMS Working Group have recognized individuals and organizations of the Military Departments and Defense Agencies who have made significant accomplishments through robust DMSMS management. We are pleased to announce the 2019 award winners:

- Lifetime Achievement – Ms. Karen Jackson, Government-Industry Data Exchange Program (GIDEP)
- Individual Achievement – Ms. Christina Martin, 408 Supply Chain Management Squadron (SCMS), US Air Force
- Individual Achievement - Mr. Christopher F. Appelt, CCDC-C5ISR Center, Product Realization Systems Engineering and Quality Directorate (PRD), US Army
- Team – Strategic Alternate Sourcing Program Office (SASPO) DMSMS Team, US Air Force
- Team – Defense Logistics Agency (DLA) Land and Maritime (J6) General Emulation of Microcircuits (GEM) and Advanced Microcircuit Emulation (AME) Program

Award winners will be recognized at our annual awards ceremony. This year's will be held during the DMSMS Conference on Thursday, December 5, 2019, in Phoenix AZ. Ms. Robin Brown, OSD DMSMS and Parts Management Program Manager, will present the awards.

We encourage all award winners to attend the ceremony or to provide a representative. Please contact Ms. Robin Brown by email (robin.brown@dla.mil) or by telephone (571) 363-8630, by Friday, November 15, 2019, to let her know who will be there to accept the awards.

I sincerely appreciate the hard work of your staff in seeking and screening the nominations. Your award winners are clearly deserving of recognition. An announcement of all the 2019 winners will be included in the DMSMS Conference Program and in a future Defense Standardization Program Journal.
