

NOTICE AND CONSENT STATEMENT FOR TEAM SITE LEADERS

By signing this document, you ("Team Site Owner") acknowledge and consent to the terms listed below in your role as a trusted delegate for managing a Team Site on the dau.mil portal.

1. All content accessible on the DAU.mil platform must meet guidelines for release to the general public, even if the site requires authentication and membership such as a team site; under no circumstances is classified material, business sensitive, Controlled Unclassified Information (CUI), FOUO, limited distribution, or proprietary information to be posted.
2. DoD instruction 8550.01 relates to DoD internet services and internet-based capabilities. DAU guidance and training on prohibited content can be found at <https://www.dau.mil/sites/governance-and-training/SitePages/Public%20Release%20Training.aspx>
3. Copyrighted material may be posted with the documented permission of the owner. Guidance and information related to Copyright can be found in [DAU Directive 720](#) and on the [Copyright Training page](#).
4. Team Site Owners are responsible for communicating these guidelines to their team.
5. I acknowledge that I have reviewed the guidance and training websites regarding public release of content noted in paragraph 2 above and the copyright training website in paragraph 3 above and will adhere to them.
